Sustainability
of UUE

E . S . G

ENVIRONMENTAL | SOCIAL | GOVERNANCE

UUE Holdings Berhad is dedicated to sustainability, aligning our commitment to environmental stewardship with our core mission of providing comprehensive infrastructure solutions across the supply chain. Recognizing the imperative of integrating environmental, social, and governance (ESG) considerations into our diverse business portfolio, our Board and Management have prioritized sustainability as a key pillar of our corporate strategy. Supportive management and dedicated employees play a vital role in overarching sustainability objectives.

Drawing on our extensive horizontal directional drilling engineering expertise across various sectors. We actively contribute to positive environmental outcomes. Through innovative approaches and strategic partnerships, we aim to extend the life cycles of infrastructure projects, minimizing environmental impact and promoting long-term sustainability.

Furthermore, we are deeply committed to nurturing the next generation of sustainability leaders. We empower talented youths to become local experts in sustainable engineering and holistic development, fostering a pipeline of skilled professionals dedicated to driving positive change.

By embedding ESG concerns into the core of our operations, we strive to be a catalyst for sustainable development and a positive force across all industries in which we operate. At UUE Holdings Berhad, sustainability isn't just a goal – it's a fundamental aspect of how we do business, ensuring a brighter, more sustainable future for generations to come.

Solar Power

Environmental Corporate Responsibility

Premier Plastic Sdn Bhd (PPISB) is dedicated to fostering sustainability and promoting environmentally responsible practices. In 2022, PPISB invested RM346,200.00 in a solar energy project, to significantly reduce greenhouse gas emissions. By harnessing solar power, PPISB contributes to a cleaner environment and helps combat pollution.

The management team at PPISB is steadfast in the commitment to reducing greenhouse gas emissions and addressing climate change. Recognizing the critical importance of these efforts, PPISB strives to protect humans, wildlife, and ecosystems.

By championing initiatives that support environmental balance and ecosystem preservation, **PPISB endeavors to contribute to a better world for present and future generations.**

Kum Fatt Engineering Sdn Bhd

Monday, 22 Jan 2024

SJK(C) Chien Chi, Plentong
Jalan Bunga Matahari, Taman Plentong Utama,
81750 Masai, Johor

Kum Fatt Engineering Sdn Bhd, in collaboration with Yayasan Sultanah Fatimah and Apex Biocare Sdn Bhd, demonstrated its commitment to social responsibility by spearheading two impactful initiatives at SJK(C) Chien Chi, Plentong.

Contribution to Classroom Renovation:

In recognition of the growing need for special education facilities, Kum Fatt Engineering Sdn Bhd contributed RM30,000.00 to Yayasan Sultanah Fatimah. This generous donation will be utilized to renovate and equip two classrooms at SJK(C) Chien Chi, Plentong, ensuring that special students have access to a conducive learning environment.

The renovated classrooms will be equipped with modern facilities tailored to meet the unique needs of special students, fostering an inclusive and supportive educational setting.

Donation of Hand Sanitizer:

In response to the ongoing Covid-19 pandemic and the rising number of cases, Kum Fatt Engineering Sdn Bhd partnered with Apex Biocare Sdn Bhd to donate 2000 bottles of 60ml hand sanitizer to all school children at SJK(C) Chien Chi, Plentong.

This initiative aims to promote hand hygiene practices among students, helping to mitigate the spread of the virus within the school community. By providing essential hygiene supplies, Kum Fatt Engineering Sdn Bhd seeks to safeguard the health and well-being of students and staff alike.

Donation to Impoverish
Families in Malacca

Blok A, 76400 Klebang, Melaka.

Donation to impoverish families has always been a powerful gesture of compassion and important community support.

Kum Fatt Engineering Sdn Bhd (Kum Fatt) had on Sunday, 27 Aug 2023 donated a sum of RM10,000.00 (Ringgit Malaysia Ten Thousand Only) to 'Pertubuhan Kebajikan Komuniti Masyarakat Negeri Melaka' to offer immediate relief to 100 impoverished families in Malacca by addressing the very basic need such as rice, cooking oil, salt, sugar, and dry food. The management of Kum Fatt believes by extending a helping hand we not only alleviate a family's financial burden but also restore hope.

The act of kindness and generosity of the management of Kum Fatt has shown its employees the profound difference one can make in the lives of the less fortunate. Hence, led by example, an employee of Kum Fatt took the opportunity to donate during the event day, a wheelchair, a pair of crutches, and a walker to a man with one leg amputated due to medical reasons. The recipient was deeply touched.

Taking Root for a Greener Future

Kum Fatt Engineering Sdn Bhd (KFESB) reaffirmed its dedication to environmental sustainability with a tree planting initiative held at its main office premises.

Six trees were carefully selected and planted, with each member of the KFESB team actively participating in the process. From digging the holes to gently placing the saplings in the soil, everyone played a crucial role in ensuring the success of this green endeavor. The company hopes to inspire other organizations and individuals to join hands in creating a greener, more sustainable future.

A morning walk with NASAM stroke survivor members titled NASAM HAPPY WALK 2023

On a serene Saturday morning, amidst the lush greenery of Hutan Bandar Mutiara Rini in Johor Bahru, a heartwarming event unfolded as Kum Fatt Engineering Sdn Bhd (KFESB) joined hands with the National Stroke Association of Malaysia (NASAM) for a noble cause.

Under the banner of NASAM HAPPY WALK 2023, 29 dedicated staff members, including directors of KFESB, gathered bright and early to participate in a morning walk alongside stroke survivor members of NASAM. It was more than just a walk; it was a powerful statement of solidarity and support for those who have overcome the challenges of stroke.

The walk wasn't just about physical exercise; it was also an opportunity to raise awareness about life after stroke and the importance of proper rehabilitation. With each step, participants helped shine a light on the journey of stroke survivors and the resources available to aid in their recovery.

Recognizing the invaluable work done by NASAM in providing specialized rehab programs and support services, KFESB made a generous donation of RM2,000.00 to further bolster the organization's efforts. This contribution serves as a testament to KFESB's commitment to making a positive impact in the community and supporting those in need.

For KFESB, participation in the NASAM HAPPY WALK 2023 was more than just a corporate outing; it was a demonstration of their corporate social responsibility (CSR) values. By actively engaging in initiatives that promote health, wellness, and community welfare, KFESB exemplifies its dedication to making a meaningful difference in society.

As participants crossed the finish line, there was a sense of accomplishment and camaraderie in the air. The event served as a reminder of the power of unity and compassion in effecting positive change. Through their collective efforts, KFESB and NASAM demonstrated that together, we can overcome any obstacle and create a brighter, healthier future for all.

As the sun rose higher in the sky, illuminating the path ahead, participants departed with renewed hope and determination. The NASAM HAPPY WALK 2023 may have ended, but its impact will continue to resonate within the hearts and minds of all involved.

With each step taken in solidarity, we move closer to a world where stroke survivors are supported, empowered, and able to live life to the fullest.

In the spirit of Ramadan, Kum Fatt Engineering Sdn Bhd (KFESB) demonstrated its commitment to spread love, kindness, and compassion to those in need.

Kum Fatt Engineering Sdn Bhd Spreads Joy to Orphans and Underprivileged Children

As the sun dipped below the horizon, casting a warm glow over Pasir Gudang, Johor, a heartwarming event was unfolding at Persatuan Kebajikan Darul Hanan Johor Bahru. On Friday, 14 Apr 2023, Kum Fatt Engineering Sdn Bhd (KFESB) extended its hand of generosity to 45 orphans and underprivileged children from low-income families, along with 10 dedicated caregivers.

The atmosphere was filled with anticipation and excitement as the children gathered for a delightful Iftar spread generously provided by KFESB. From savory dishes to sweet treats, the scrumptious feast brought smiles to the faces of all present. It was a moment of joy and togetherness as the children savored each bite, surrounded by love and compassion.

But the generosity didn't stop there. Each child was presented with 'Duit Raya' amounting to RM50, a token of love and appreciation from KFESB. Additionally, they received goody bags filled with goodies to brighten their day even further. The joy and gratitude radiating from the children were palpable, a testament to the impact of such gestures of kindness.

As the evening drew to a close and the children bid farewell to their newfound friends, the spirit of Ramadan lingered in the air. It was a reminder that in the act of giving, we receive so much more in return. Through its compassionate actions, KFESB exemplified the true essence of Ramadan-unity, generosity, and compassion for all.

In the spirit of Ramadan, let us continue to spread love, kindness, and compassion to those in need, enriching lives and building a brighter future for all.

UUE Holdings Berhad is committed to making a positive impact on the communities we serve.

Through its Environmental, Social and Corporate Governance, we strive to contribute to the betterment of society and create a brighter future for all.
